

# Energy4All Annual General Meeting 2017

## Future development priorities

Mike Smyth – Chair, Energy4All

Winner of a 2012 Ashden Award.

# Energy4All – committed service improvements 2017/8

- ▶ IT upgrade continuing
- ▶ Continued improvement in communications; quarterly newsletters
- ▶ Increased contract control and enhanced co-operative buying
- ▶ Increased resource allocated to asset management

# Energy4All – committed development 2017/8

- ▶ Funding of Mean Moor windfarm
- ▶ Construction at Rainepower, Arrochar, Schools and Springbok
- ▶ Potential 4 x Falck shared ownership wind projects
- ▶ Funding of additional schools
- ▶ Feasibility of Yorkshire Main consented single turbine
- ▶ Feasibility on two Scottish hydro projects

The Energy4All family of community energy co-operatives makes this possible.

# Future development – 2017/8

- ▶ Where can we best improve operations?
- ▶ Roof top solar can still be viable
- ▶ Hydro on the best sites
- ▶ Shared ownership wind
- ▶ Renewable heat and district heating
- ▶ LEDs
- ▶ Second hand sites with special features
- ▶ Ireland
- ▶ Storage and electricity supply; Co-operative Energy
- ▶ Co-operative development
